Michael,

Sunil Bector of the Sierra Club's Environmental Law Program (cc'd on this) would like to participate in our Monday meeting by phone if that's possible. (He participated in our last meeting by phone.) Would it be possible to e-mail him a call-in number? (I will be traveling Monday morning and, believe it or not, do not have a smart phone so won't have access to my email.)

Thanks!

Maxine

Michael,

I hope all is well. We look forward to meeting with you on Monday at 11 am on SO2 issues related to Jefferson County and the upcoming Labadie

designation, including the location of monitors at both Labadie and Rush Island. Our group will include:

John Hickey, Rajiv Ravulapati, and James Turner – Sierra Club

Patricia Schuba – Labadie Environmental Organization (LEO)

Ken Miller and me, with the Interdisciplinary Environmental Clinic, on behalf of the Sierra Club, together with two students (Alicia Harris and Kimmy Kim)

Thanks for taking the time to meet with us. If possible, please let me know who else you anticipate will be attending from EPA.

Best regards,

Maxine
